TEACH LIKE A ROCK STAR

provides educators with the most powerful tools, strategies, and resources available for creating an extraordinary learning environment – one where teachers have a profound educational and personal impact on the lives of students. This empowering, interactive, and entertaining workshop helps teachers discover the keys that drive all students to perform at their very highest levels. This is an event that enables teachers to take their skills to a new level of excellence where they'll see immediate and dramatic results in their classrooms.

TEACHERS WILL LEARN

- ★ How to raise test scores throughout diverse populations.
- ★ How to discover the underlying motivation of each individual student.
- ★ How to make the transition from classroom management to *Classroom Leadership*.
- ★ How to build strong connections between teachers & students.
- ★ How to create student enthusiasm through unique & innovative teaching strategies.
- ★ How to positively influence a student's thoughts, emotions, actions, and character.
- ★ How to tap into their own ability to uncover **The Rock Star Teacher** that lies within.

THE BEST AUDIENCES EVER

We ask principals to thoughtfully hand pick teachers to attend this exclusive event. **Teach Like A Rock Star** is specially designed for those exceptionally talented, influential educators with endless energy and unbridled passion for teaching. Everyone in attendance will receive all that they need to bring this information back to your campus.

Hal Bowman is the author of **A Grade Above, A Step Ahead** and his latest book, **Teach Like A Rock Star** will hit the shelves this spring. As one of the most exciting speakers in education today, Hal inspires teachers across the nation to discover the secrets to having a profound and lasting impact on the lives of students. Drawing on his 2 decades of experience in the classroom, Hal provides teachers with unconventional, yet proven, powerful strategies that lead to academic and personal achievement for all students. Teachers always return to their classrooms as a driving force for educational excellence with a renewed passion for the most meaningful and honorable profession on the planet: **TEACHING KIDS!**
